NORTH SIDE COMMUNITY SCHOOL  
Board Meeting Minutes  
October 17, 2023

Present: Board Members: Kathy Anderson, Carlton Brooks, Mike Carpenter, Fred Falker, Shana Fick, Byron Francis, Tracee Holmes, Mike Quinlan, Ross Woolsey, Ken Rinderknecht.

School Staff: Dr. Douglas Thaman, Martine McGull, Stephon Greenlee, William Randall, Ginger Lockett.

Others: Mark Anthony, Interested Citizen.

4:32 PM - Board Meeting was officially called to order by Kathy Anderson, Board President, at the Middle School.

Approval of Minutes: The minutes of the September 19, 2023 Board Meeting were reviewed and approved by unanimous vote of the Board, with the correction that Fred Falker called the September meeting to order.

Public Comment Period: No one was present to offer public comment.

Executive Director/Administration Report: Dr. Thaman discussed various items of significance at North Side during the past few weeks, including the attendance of 4 staff members at the EdTech Week conference in New York from October 2 through 5. He also reviewed elements of the Professional Development Day planned for this Friday, and the first Caring Adults Alliance family activity night, "Pizzas and Pumpkins", scheduled for October 25.

Dr. Thaman reported that North Side secured numerous school supplies and furniture through the lottery of items from the recently closed Hawthorn Leadership Academy. Items will be packed and moved later this month, and the new furniture will replace much of the current furniture at the Middle School.

North Side has implemented on all campuses the new Raptor Visitor Management System. Dr. Thaman explained aspects of the system which is designed to improve school safety and identify potential threats to students' safety through cross checks with national database registers. Raptor

Current enrollment at North Side is 435 students. Attendance remains strong, and a focus will be on improving the attendance of those students who have already missed 5 or more days. Dr. Thaman outlined various reasons students may not be attending regularly. The need for Board approval of bus transportation routes was tabled for consideration at the November meeting.

Finance Committee Report: Carlton Brooks and Will Randall presented an overview of the September 2023 Financials, with detailed lists of revenues and expenses to date. North Side has a Cash Balance over \$2,500,00 and a loan balance of \$793,000. Numbers for the Schwab account were also reviewed, now at \$1.9 million. Costs related to new curriculum expenses were noted.

ESSERS III monies of \$200,000 have been requested so far this year.

The check register for September, 2023, and for checks written for over \$10,000 for the month, were reviewed. \*The September check register was approved by unanimous Board vote.

Development Committee Report: Tracee Holmes reviewed elements of the October Development Report and the Development Committee meeting of October 11. Lists were provided of grants received, grants requested and pending, and grants not awarded. An average of about 3 grant requests per week are being planned. The Top Golf event of October 24 has received \$5,800 in sponsorships, and 8 of the 10 bays have been filled. It was noted that the Young Friends group, which plans the event, is seeking new members.

The North Side Magic of Childhood Gala is set for May 3 at the McDonnell Planetarium. Krissy Hof will serve as Chair for the Gala, with the committee's first meeting set for November 1.

Governance Committee Report: Byron Francis introduced Shana Fick, the newest North Side Board member. Shana was welcomed by all and expressed her happiness at being here. The search for other potential new members continues.

Facilities Committee Report: Ross Woolsey reported that a list of items needing immediate attention has been developed. The Strategic Plan will help in outlining future facilities planning.

Strategic Plan Committee Report: Mike Quinlan provided an outline of the process to have as many as 6 Focus Group meetings for developing the Strategic Plan, the first meeting to be held next week and led by Brian Hayden. Focus Groups are to be 90 minutes in length and will be interactive - to explore strengths and weaknesses of North Side. The process will move to a November planning meeting, with the goal still to finalize the Strategic Plan by the end of January.

New Business: Martine McGull and Stephon Greenlee were present to discuss 2023 Spring and Fall testing data. They provided a complete, grade by grade review of North Side students' proficiency level percentiles breakdown of MAP scores for Spring 2023, as well as NWEA testing data for Fall 2023. Ms McGull and Mr Greenlee were candid and extensive in their assessments and evaluation of the results and the need for improvement. Both feel North Side is off to a good start this year in working toward improving reading comprehension and basic literacy skills results. Both are excited about the potential of the small group reading plans.

Much discussion was held regarding developing a strong school culture to aid new teachers, keeping the really good students engaged while utilizing remediation measures for other students, and various aspects of new curricula introduced this year in ELA and Math. Retention of quality teachers at North Side is seen as another key factor for future improvement.

5:55 PM - The regular Board Meeting was adjourned as the Board voted to go into Executive Session to discuss a confidential matter.

6:10 PM - The Executive Session was adjourned.

Respectfully submitted,

Ken Rinderknecht, Secretary

## **Executive Director's Report November 14, 2023**

### **Items to Update**

#### **1. October and November at North Side Community School**

In the latter half of October and the beginning of November at North Side Community School, we have had/will have several notable events and initiatives that have shaped the school environment and student support services. Here is an overview:

##### **Professional Development Day (October 20th):**

On October 20th, North Side Community School conducted a dedicated professional development day. This day was centered around enhancing student support services and literacy intervention strategies. Our educators participated in workshops and training sessions aimed at improving their ability to provide individualized attention to our students. This is a vital step in ensuring the success of our children.

##### **Donuts with Dad at the Elementary School:**

One of the highlights of this period was the "Donuts with Dad" event at the elementary school. This event was exceptionally well-attended, with over 75 dads or significant male figures in our students' lives participating. It was a heartwarming occasion that fostered a sense of community and involvement within our school.

##### **Pizza and Pumpkins Family Night:**

Over 20 families attended an evening of pumpkin carving and pizza. This was one of our first Caring Adults Alliance events.

##### **Halloween Celebration:**

The school embraced the Halloween spirit by organizing a celebration in which over 20 families set up treat stations in the gym. This event allowed our students and their families to come together, have fun, and strengthen the bonds within our school community.

3033 N. Euclid Ave. St. Louis, MO 63115 | 314.385.9502 | [www.northsidecommunityschool.org](http://www.northsidecommunityschool.org)

**Hearing and Vision Screenings:**

At all campuses, we prioritized the well-being of our students by conducting hearing and vision screenings. These screenings are essential to identifying and addressing potential health concerns, ensuring our students are in the best position to learn and succeed.

**First Trimester Parent Conferences (November 16th and 17th):**

Looking ahead, we are preparing for our first trimester parent conferences, scheduled for November 16th and 17th. These conferences are a valuable opportunity for parents and educators to discuss the progress of our students. To further enhance this experience, we will also be providing dinner for families who attend, reinforcing the spirit of community and collaboration.

**Thanksgiving Break:**

As we move toward Thanksgiving, it's important to note that the school will be closed during the week of Thanksgiving. This break offers our students and staff the chance to spend quality time with their families and reflect on the gratitude and community that define North Side Community School.

**2. Exciting Grant News**

The Missouri Department of Elementary and Secondary Education (DESE) awarded North Side the Stronger Connections Grant for \$400,000 over three years. The Grant will enhance our mental health services. Specifically this funding will facilitate the hiring of two school psychologists and one behavior interventionist, aiming to elevate the overall quality of mental health support at NSCS.

In addition, North Side secured a \$100,000 DESE Missouri Quality Pre-K Grant to cover operating expenses for its Pre-K program. This grant encompasses coaching and classroom observations for the three Pre-K instructors, ensuring a top-notch early education experience.

**3. Student Absenteeism**

As previously discussed, we are focusing this year on the improvement of student attendance. To date, at the elementary school, 98 students (32%) have already missed five or more days, while at the middle school, 46 students (36%) have reached this threshold. It is important to note that when a student is absent for 178 days, they have

3033 N. Euclid Ave. St. Louis, MO 63115 | 314.385.9502 | [www.northsidecommunityschool.org](http://www.northsidecommunityschool.org)

missed 10% of the school year. Unfortunately, three students have already reached this point.

In response to these challenges, in addition to our weekly and monthly attendance recognitions and awards for excellent attendance, we have rolled out two exciting attendance incentives across our campuses. The first incentive is the Student Attendance program, where students earn entries towards a monthly prize for each day they attend school without any tardies. This not only encourages regular attendance but also emphasizes the importance of punctuality.

The second incentive is the Family Attendance reward, which allows families to enter a weekly drawing for a \$50 gift card if their student attends school for the entire day, without any tardies, and is picked up on time. This initiative aims to involve families in promoting consistent attendance and reinforces the idea that attendance is a joint effort between the school and the students' support system.

To address the issue of excessive absences, we have implemented several measures. In addition to daily absence calls, we are now sending an excessive absenteeism letter of notification to parents/guardians when their students miss five, ten, fifteen, or more days. This letter outlines the consequences of excessive absences and emphasizes the need for an attendance plan if a student has more than five absences in a grading period. Furthermore, any further absence, to be considered excused, will require a note from the child's doctor, hospital, or qualified official. Ten or more unexcused absences will result in the notification of the Truancy Diversion Program/St. Louis Family Courts and the Missouri Department of Social Services. The Truancy Diversion Program may assess a parent fine of \$25 per day a student is absent. Additionally, students with over fifteen absences will have missed more than 10% of the school year and may face promotion challenges. It is important to note that tardiness and early departures can also lead to absences, as when a child's accumulated late arrivals or early dismissals equal a full day, it will be considered an absence.

By combining these attendance incentives with targeted notifications and consequences for excessive absences, we aim to create a positive and supportive environment that promotes consistent attendance among our students.
